Run by Shivam Education and Research Foundation

SHIVAM TECHNICAL EDUCATION CAMPUS

ABOUT US |

Shivam Education Campus was established in 2008 by Shivam Education and Research Foundation. Shivam Pharmaceutical Studies and Research Centre, located at Volasan, Nr. Shree Krishna Hospital, Karamsad, Anand District, was established in **year 2008-2009**. Institute is running B. Pharm and M. Pharm Courses (Pharmacy Practice and (Pharmaceutical Quality Assurance), which are Approved by AICTE, PCI (Pharmacy Council of India, New Delhi) and affiliated with GTU (Gujarat Technological university, Ahmedabad). Total 8 batches of Graduation have passed out from this institute. Passed-out students are placed in highly reputed Pharmaceutical Companies like Alembic, Elysium, Torrent and Sun pharma. Seven (07) batches of M. Pharm have passed out from this institute. Last year seven (07) students have qualified GPAT.

Campus have Shivam Pharmaceutical Studies and Research Centre, Shivam Institute of Management (MBA), Shivam Institute of Computer Technology (MCA) and Shivam Institute of nursing (B.Sc Nursing, WHM and GHM). Shivam International school is added feature of the campus.

Institute has good infrastructure facility available with well-furnished laboratories with sophisticated instruments like HPLC, UV-double beam, Dissolution test apparatus, Disintegration and Rotary tablet machine and many more for practical training of students. Library is equipped with E-Journal software Delnet, books and reference books.

Highly Qualified Faculties are available in the capacity of Professor, Associate Professor and Assistant Professor. Faculty with highest qualification Ph. D and first class with M. Pharm in different specialization are available.

Extra-curricular activities like sports and games, cultural and religious activities are encouraged for all round personality of students.

Shivam Education campus have seen tremendous growth under the visionary leadership and dedication of Shri Rajubhai Patel and Shri Asraf Mansuri, the founder President and Trustee of the Shivam Education and Research Foundation, respectively.

VISION

To emerge as a recognized pharmacy institution that transforms learners into skillful, competent and knowledgeable professionals through excellence in education and research.

Mission

SPSRC is committed towards creating excellent workforce by adopting the best professional value system. This workforce shall be dedicated to alleviating human suffering and achieving sustainable development and healthcare goals. The integrity, dignity and prestige of the institution shall be always upheld.
