LOVELY PROFESSIONAL UNIVERSITY

DEPARTMENT OF
PLANNING

(ITPI APPROVED)

LOVELY PROFESSIONAL UNIVERSITY (LPU)

Lovely Professional University (LPU) is a multi-faculty research-oriented institution with a hi-tech campus offering more than 150 professional programmes. The campus is a complete world in itself having students from all states of India and more than 50 countries of the world. LPU has all the makings of a global institution with internationally benchmarked curricula, innovative pedagogy, research orientation, 300+ foreign tie-ups, well qualified and experienced faculty, outstanding sports & cultural facilities, a comprehensive residential ecosystem at par with global standards to the residents, a shopping mall and hospital etc. The University is ranked high on various parameters by International and National bodies/organizations of repute. LPU is ranked 23rd amongst the top universities of India as per Times Higher Education World University Ranking 2023 and 74th globally as per Times Higher Education Impact Ranking 2022. NIRF Ranking 2022 (Ministry of Education, Government of India) which ranks LPU as 47th amongst all the top universities in India and 51st in Engineering. LPU offers great residential and sports facilities; and has produced many national and international athletes. Some of the famous students include Neeraj Chopra, the first Asian athlete to win an Olympic Gold Medal in men's Javelin throw and the first Indian to clinch the Lausanne Diamond League. In January 2019, LPU hosted 106th Indian Science Congress and became the first private university to host Shri Narendra Modi, Prime Minister of India with three Nobel Laureates from government, industry and academia.

DEPARTMENT OF PLANNING SINCE 2011

The Planning Department at Lovely Professional University, accredited by the Institute of Town Planners, India, since 2011, is a leader in fostering innovation and excellence in urban and regional planning. In 2023, students hosted the prestigious 24th Nos Plan Convention, engaging over 500 participants nation-wide. First-year students published Urban Planning: A Literature Review as part of their curriculum. Collaborating with Ladakh Ecological Development Group (LEDeG), students developed critical city reports, including sanitation, mobility, and development plans for Leh. Additionally, students secured internships at the National Remote Sensing Centre (NRSC-ISRO) and the Directorate of Urban Affairs, Meghalaya, reflecting the program's strong industry connections and emphasis on practical expertise.
