Department of Physical Education, Sports, and Yoga offers BPES

Admission 2024-25

About the Department

Department of Physical Education, Sports, and Yoga offers BPES course (Bachelor in Physical Education and Sports) and Ph.D. program along with various Open Elective courses to foster Physical Education and Sports among students, and to support and promote NEP2020. The Physical Education and sports program provides each student with the opportunity to participate in a comprehensive program consisting of skill development, lead up games, team sports, and physical fitness activities. The students receive instruction in rules, skills, and strategies associated with the different sports as well as learning experiences involving physical conditioning activities. The students will also have opportunities to become involved in life-long physical activities through individual sport units. The program promotes the spirit of cooperation, leadership, fair play, and friendly competition. There is a well-equipped library and International standard sports play fields for students pursuing this course.

Testimonial**Mr. Abhishek Rajput****Eklavya Model Residential Schools as a Physical Education Teacher**

"Studying at Department of Physical education, Sports and Yoga has been an enriching and life-changing experience for me. From the moment I stepped onto campus, I felt welcomed and supported by the vibrant community of students, faculty, and staff.

The academic programs at Manipal University Jaipur are top-notch, providing me with a solid foundation of knowledge and skills that I can apply to my future career. The professors are not only experts in their fields but also deeply committed to helping students succeed. Their guidance and mentorship have been invaluable to my academic journey.

Beyond the classroom, I've had the opportunity to participate in various extracurricular activities and clubs, which have allowed me to explore my interests, develop leadership skills, and forge lifelong friendships. Whether it's volunteering for a cause I'm passionate about or joining a sports team, there's always something exciting happening on campus.

One of the things I appreciate most about Manipal University Jaipur is its diverse and inclusive community. I've had the chance to learn from people with different backgrounds, perspectives, and experiences, which has broadened my horizons and challenged me to think critically about the world around me.

Overall, my time at [insert school/university/organization name] has been nothing short of amazing. I feel confident and prepared to take on whatever challenges come my way, thanks to the education, support, and opportunities I've received here.

I would highly recommend Manipal University Jaipur to anyone looking for a dynamic and fulfilling university experience."

**Mr. Aryan Gandhi****Masters in Data Science, Leads University UK**

Being a student of BPES student at MUJ, The University provides me with several opportunities to grow and explore my skills. The emphasis on sport's along with education always helped me a lot. I have always found a positive and healthy environment and the teachers are highly supportive. Most of my doubts were cleared after the classes get over. I am highly thankful to you for providing me with an opportunity to be a part of your university.
